

Saskatchewan
Brain Injury
Association

YOU Helped Make A Difference.

Thank you for your support which made the 2021 Brain Boogie a great event in several locations around the province. Attendance varied around the province as this year's event was a hybrid of small outdoor events and online events because of the ongoing pandemic. Nonetheless, part of what makes this event so great is that each location is unique and involves our members according to their various abilities.

The Brain Boogie funds programs that break the isolation that brain injury causes which has been exacerbated by the pandemic. This year's success was thanks to people like you who gave so generously to support local programs that directly benefit brain injury survivors and their families, in response to their requests.

"Thank you so much for the package. Very much helps with the feeling of isolation that all are fighting with this pandemic. I sure miss my fellow survivors!"
- SBIA Member

We want you to know that your generous support is making a difference in communities across Saskatchewan. All of the money that is raised in Saskatchewan stays in the province to help SBIA fulfill its mandate to prevent brain injuries and to improve the lives of survivors and their families.

We once again, thank-you for your generous sponsorship and will keep you updated on our future activities as well as, the 2022 Brain Boogie. We are truly grateful for your support!

Glenda James
Executive Director

Thank you for supporting the Brain Boogie!
TOGETHER we can make a difference!
